## Closing with a smile...

Puns by Karthik Narayanan, London

**A man lost his job and went to an Ashram to seek one.** The admin told the man: "You first need to ask the Guru. But the Guru is very busy right now enrolling students for a 3 year residential Vedanta course, so you are allowed to say only two words to him."

The jobless man went and prostrated to the Guru and said two words: "Hire me!". The Guru promptly enrolled him in the 3 year residential course!

A few months of the course and the man, totally confused and bewildered, went to the Guru and mustering courage said: "I really don't know what's going on here. I'm looking for a job, please hire me or let me go!".

"Oh!" the Guru replied "Hire me! I thought you were asking for Higher Me!". Anyway gurus are compassionate, so the man landed a job at the Ashram.
