## Opening Words

The blessings of Ganga ji, the blessings of Pujya Swami Dayananda ji and the teachings of the Rishis flowed in full measure in our recent Vedanta camp. We were delighted to return to Rishikesh to conduct our biannual camp after six years especially with many first timers.

Participants were able to live 'the gurukulam life' with an intensive yet relaxed lifestyle including Pujas in the temple, Puja at Pujya Swami ji's *adhiṣṭhānam*, Vedanta classes, Meditation, Satsanga, Sadhu bhandara, Sacred dips in the Ganga, animated discussions and laughter, river-rafting for some and much more! Smiles became wider, steps became lighter, hearts became bigger!

---

Despite a few last-minute cancellations in the midst of an astrological prediction of delays and setbacks for the world at large, we are happy that some students were able to be there including some from the UK too.

In the upcoming month of March 2023, we seek the blessings of Vishnu during Holi, Devi during Chaitra Navaratri as well as *Bhagavān* Sri Rama on Rama Navami, for all pursuits. May all continue to be blessed.

With love and prayers,
