## Opening Words

The *Taittirīya* Upanishad reveals - *tat sṛṣṭvā tadevānu prāviśat* (Having manifested, *Brahman* as though entered). *Bhūmi*, mother earth is alive for us. We invoked her blessings through a *Bhūmi* puja at the gurukulam land on 5th May. Since the place is bare of any facilities, we deferred inviting all of you for until when the place is up and running.

A gurukulam depends on both, the people initiating and the collective prayers of those who can and should benefit from it. Please pray for a successful fundraising round so that construction may start soon.

With love and prayers,
