Sw Brahmajprajnananda and Caito G, a Vedanta student from Brazil

Caito Guimaraes, 40 years from Brazil, a father of 3 children, who was studying Vedanta with Acharya Vishvanatha contacted Swamini Brahmajprajnananda in May 2023 wanting to come to India for 3 months to study with her. Not having a gurukulam space and being busy with a lot of projects, she initially declined.

Due to his keenness, she offered to teach him two classes a week and he could watch recordings, thinking that he might change his mind. But no one can stop a keen jijnasu! And so he came in October and lived in Mumbai in an Airbnb set up and did some classes on the glorious Brahmavalli section of the Taittiriya Upanishad in a quiet space of a pizzeria! A few Mumbai based students joined as well. He attended Vedanta Paribhasha classes of Swami Brahmavidananda ji. Seeing the need to live an ashram life, Swamini coordinated his stay in our ashrams in Rishikesh and Coimbatore as well. It is always a joy to teach keen, committed students who will carry the tradition forward.
